**CONTINUING EDUCATION (CME) ACCREDITATION**

**Austria & Europe**

The ECR 2014 has been approved by the Austrian Medical Chamber for 40 CME points and this accreditation is accepted by all European countries which have mandatory CME for their physicians.

**USA**

As the ECR 2014 has not applied for UEMS accreditation, the agreement of mutual recognition by the American Medical Association (AMA) is not applicable. Please consult your regional, state or national jurisdiction for information on approval of the CME points granted at ECR 2014.

**Worldwide**

CME points claimed at the ECR are accepted by the majority of national CME authorities worldwide which have mandatory CME for their physicians. Please consult your national jurisdiction for the maximum number of CME points they will approve following your attendance at ECR 2014.
