

# EPOS™

Electronic Presentation Online System

## *Confirmation of Online Presentation*

This is to officially confirm that

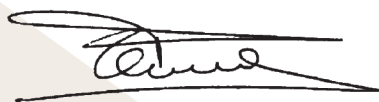

**I. Pashnikova, V. Fokin, G. E. Trufanov, I. Pchelin; St. Petersburg/RU**

presented the electronic poster entitled

**Magnetic resonance imaging in acute ankle inversion trauma**

within the Electronic Presentation Online System (EPOS™)  
of the European Society of Radiology. The presentation is available  
at [www.myESR.org/epos](http://www.myESR.org/epos) and can be cited through this unique DOI:  
**10.1594/ecr2013/C-2399**

Once the presenting author has registered for the congress this poster will be part  
of the ECR 2013 electronic scientific exhibition (March 7-11 Vienna/at).

Paul M. Parizel, MD, PhD  
Chairman of the ESR Publications Committee

Vienna, February 2013
